

2010- BENET ACADEMY TENNIS CAMP-2010

High School and Junior High Camp: These will be 2 week camps (Mon-Thur.) focusing on learning and refining strokes and tennis fundamentals. Students will be grouped by ability so that each player can expect to be hitting with equal or slightly better players. We may also move exceptional 8th graders into the high school camp if their ability warrants it. The high school camp will run for 2 hours a day four days a week, the junior high 1½ hours a day. Time will be spent on court instruction and drilling in addition to learning conditioning, strength and agility drills, and games. Friday will be a make-up in case of rain.

Beginner Camp: This will be a 2 week camp focusing on learning the game. The camp will run for 60 minutes a day for two weeks (Mon-Thru) and will work on the basic fundamental strokes and scoring. We will group each player by ability on the courts so that each group is being adequately challenged. Fridays will be a rain make-up day. The camps will be run by Bob Comerford and Michael Hand, tennis coaches at Benet. In addition there will be other current or former high school players assisting at the camp. This camp is open to players from all schools.
